
THE
GAY
AGENDA
A tiny guide to joy, truth, and being yourself
Pocket edition
1

Open Me Gently

This is not a rulebook. It is a rainbow field guide for becoming more fully yourself and letting others do the same. Take what nourishes you. Leave what doesn't. Love boldly. Begin where you are.

The agenda is simple: be real, be kind, let people bloom.

I. Be Yourself, Unapologetically

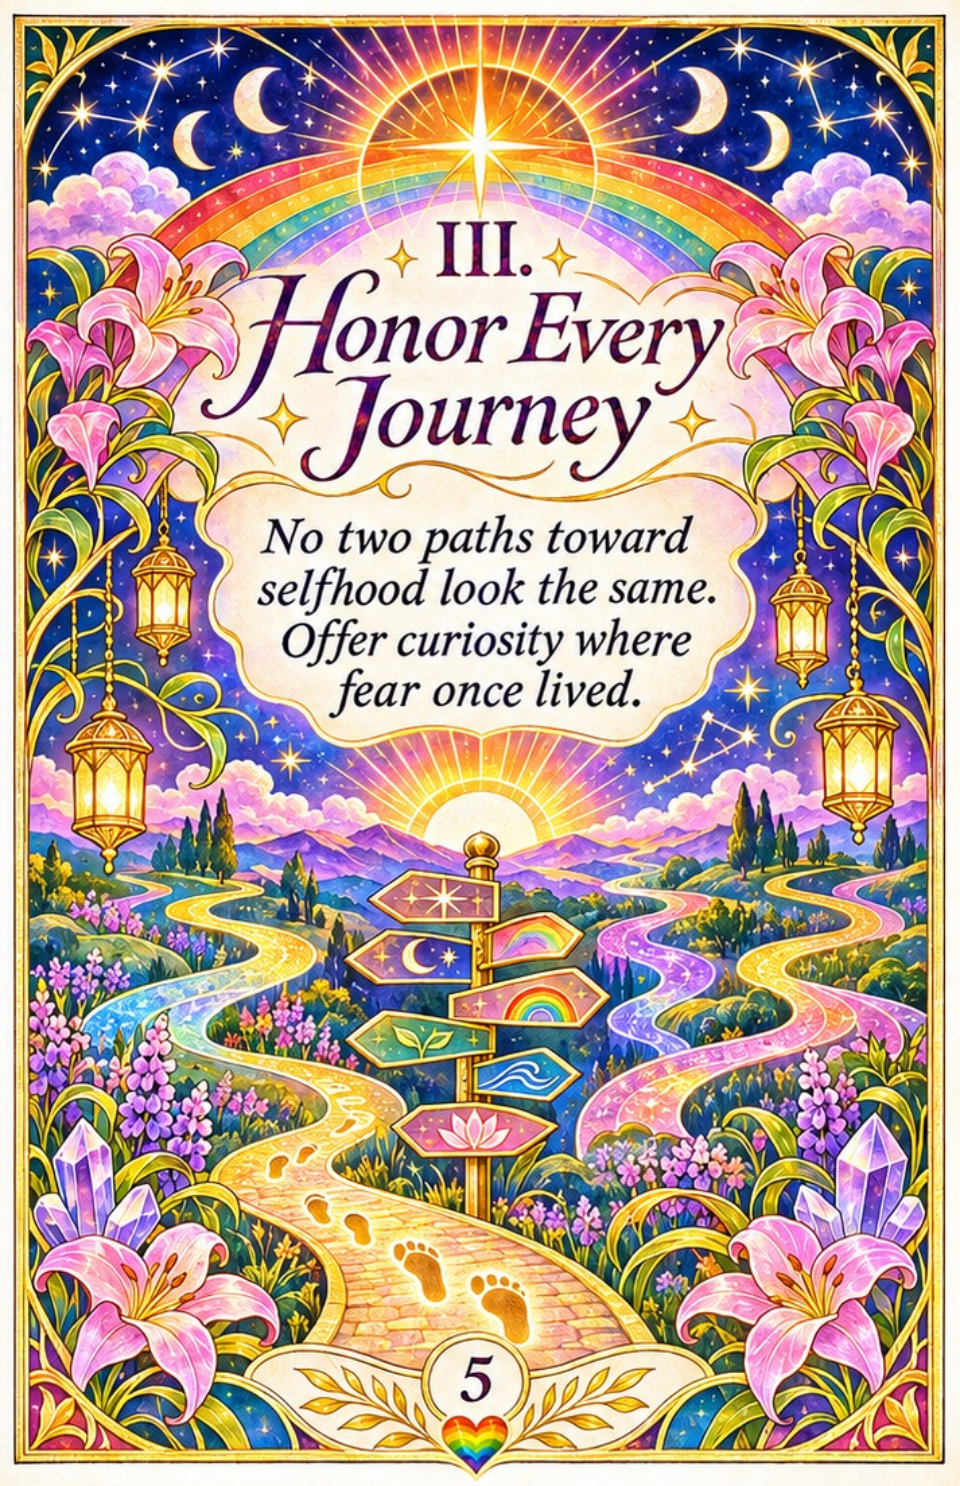

Your existence requires neither permission nor explanation. The truest thing you can be is wholly, tenderly yourself.

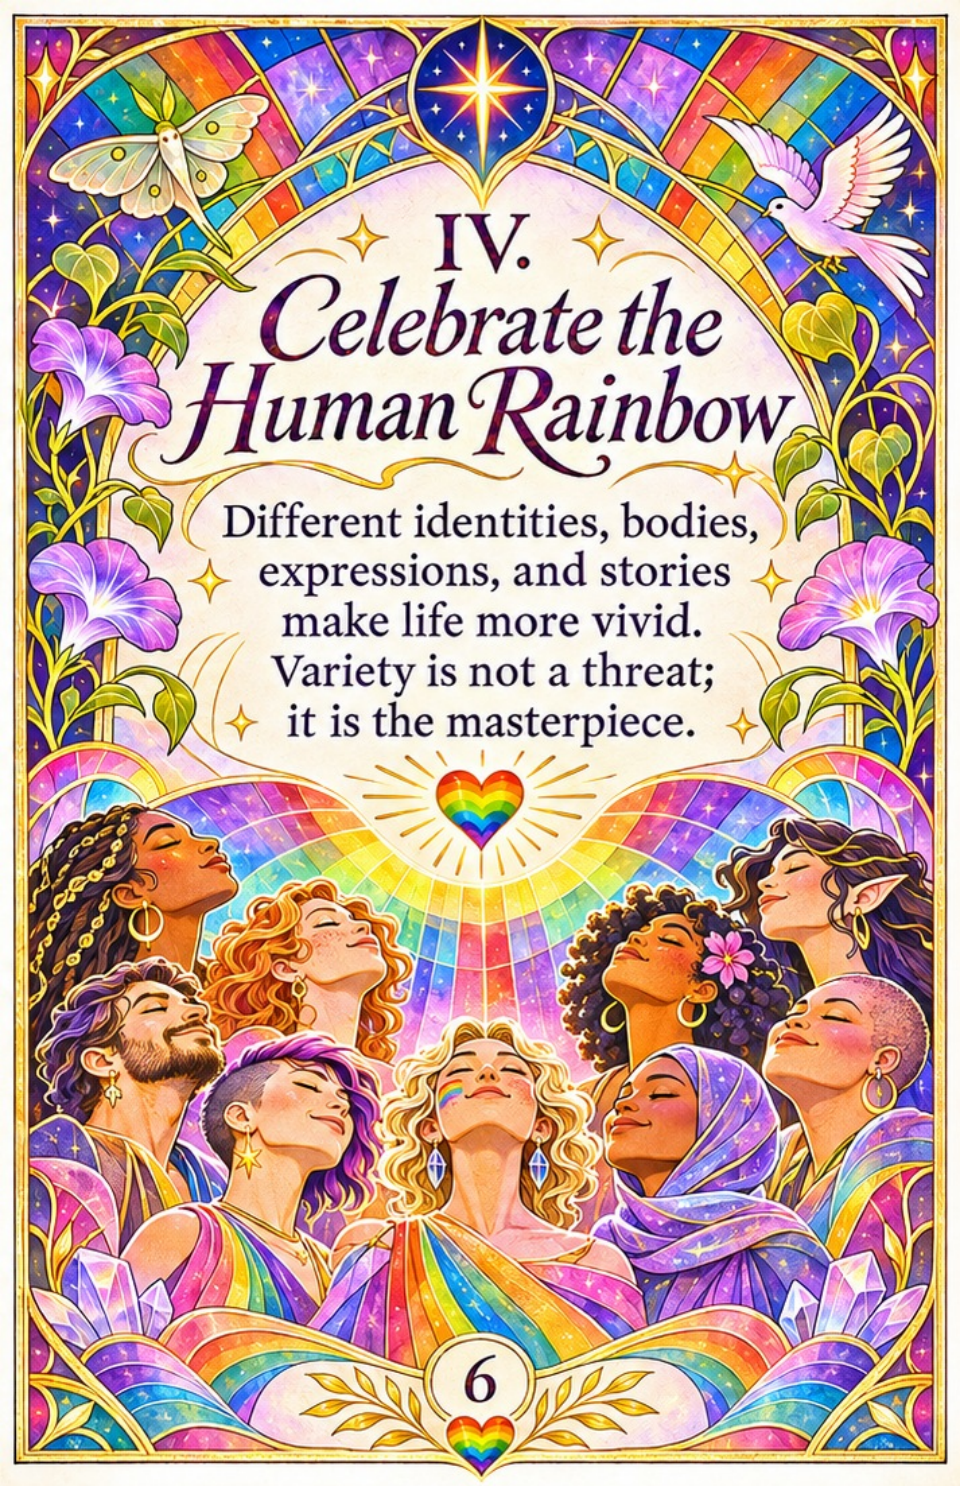

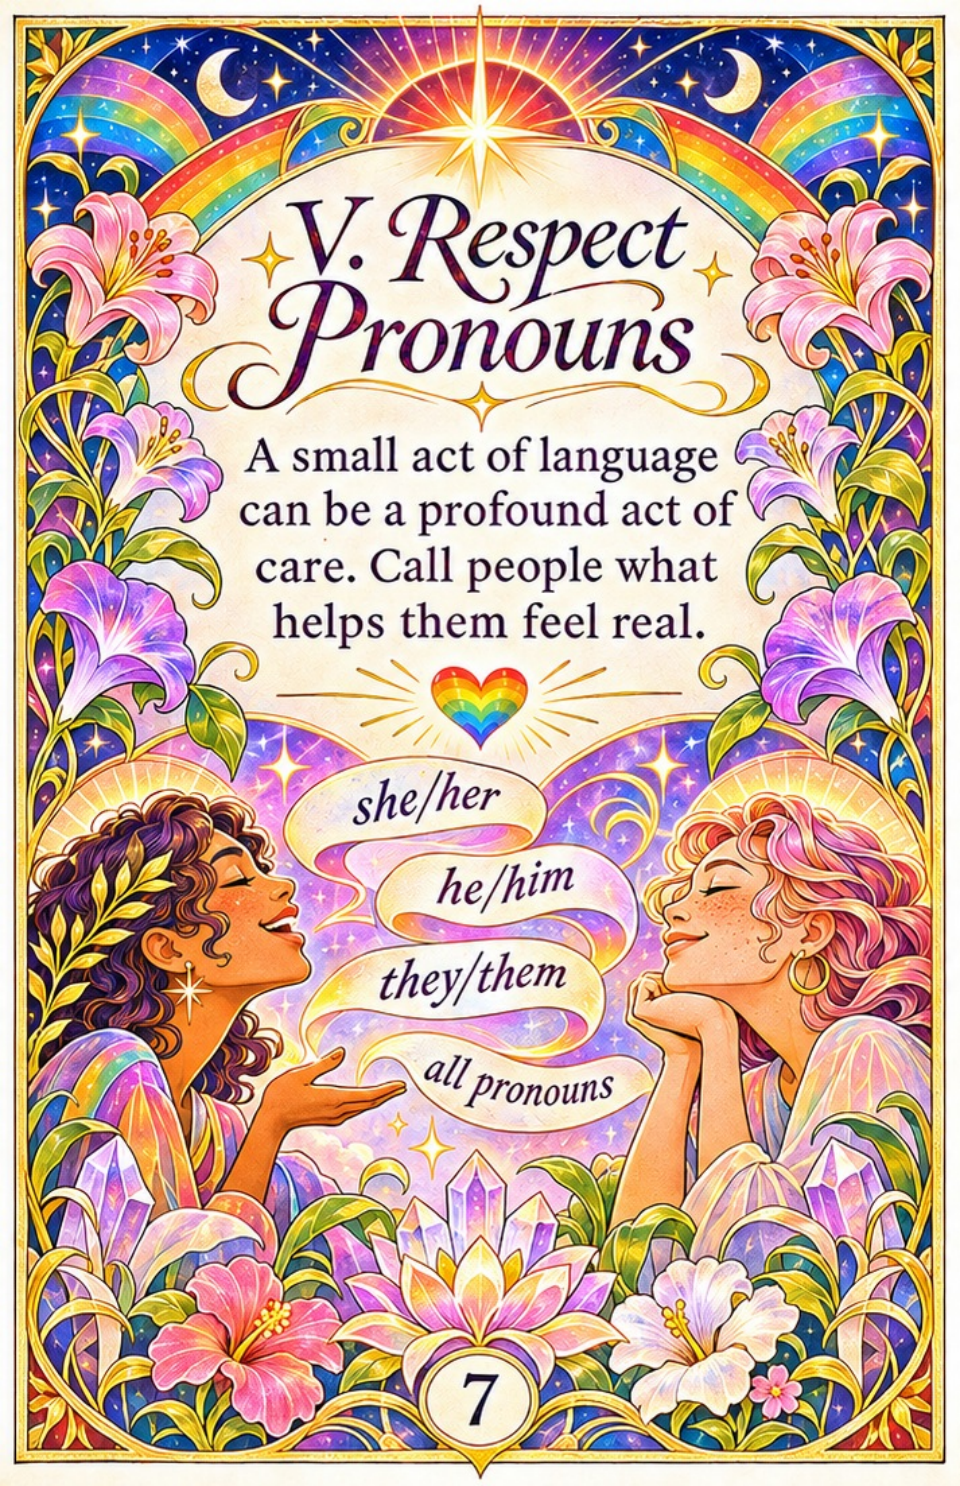

II. Love Whom You Love

Let love be honest, mutual, and free. The heart expands the world whenever it is allowed to speak.

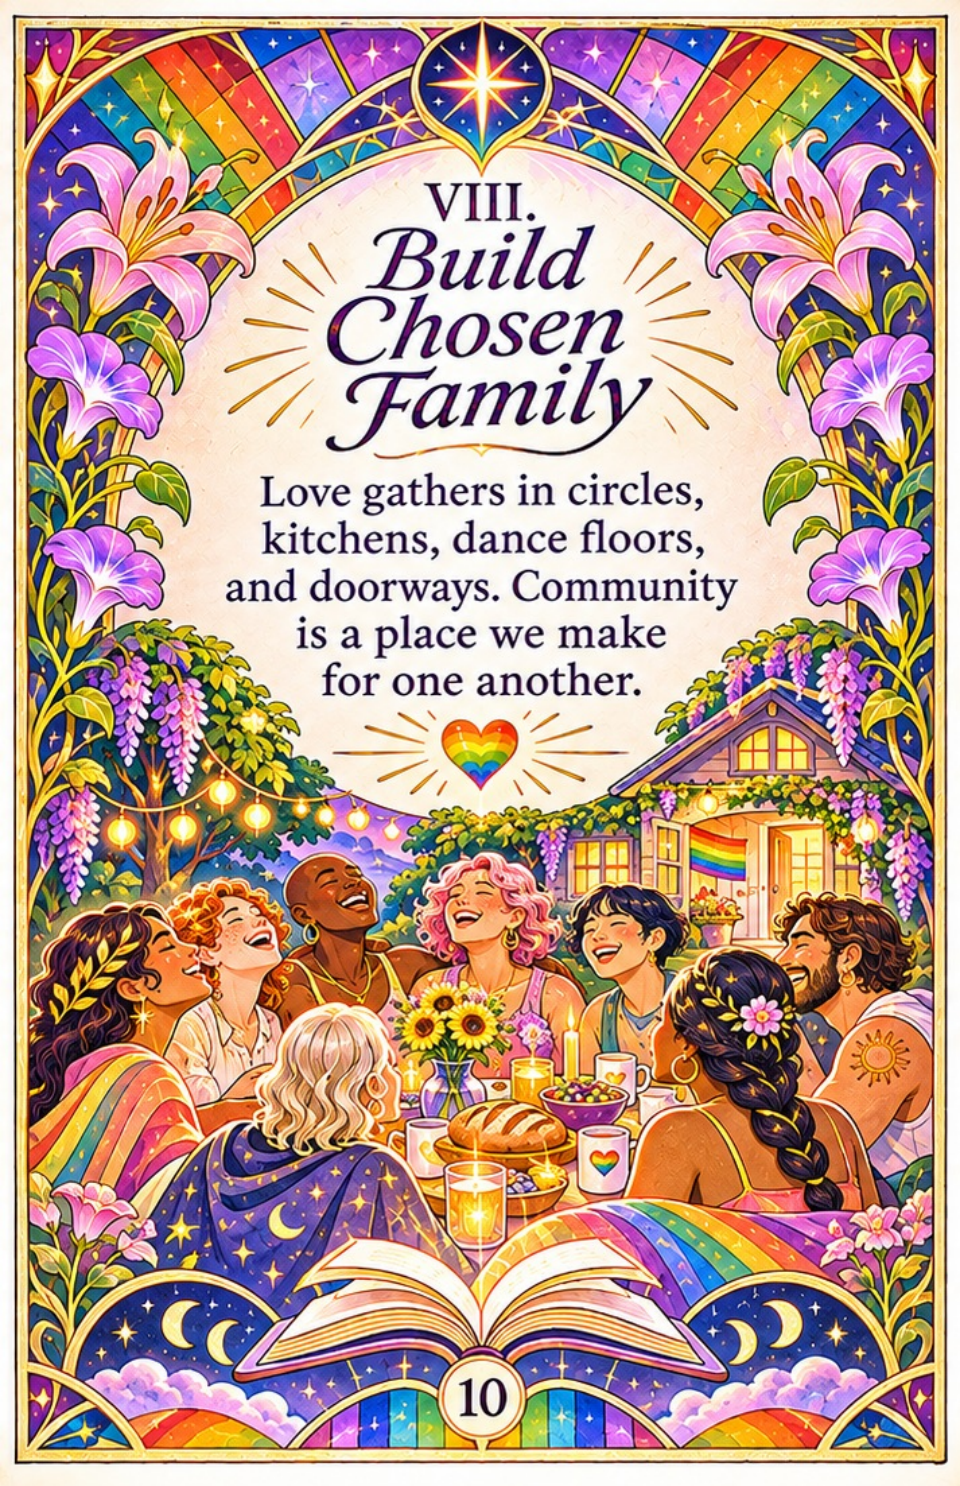

III.
Honor Every Journey
No two paths toward selfhood look the same. Offer curiosity where fear once lived.
5

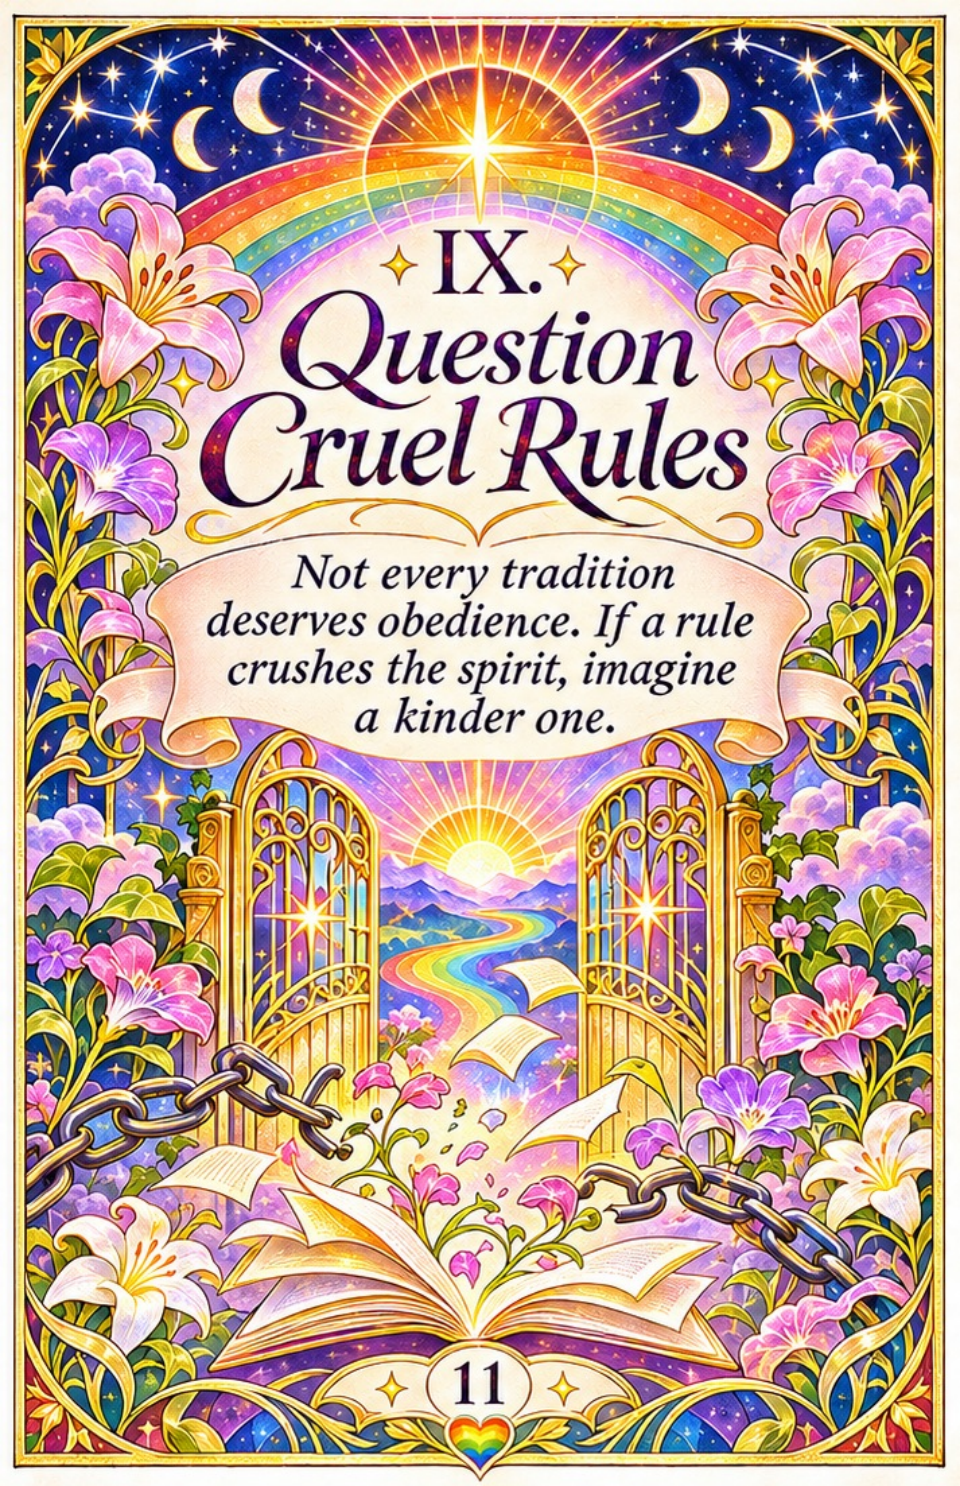

IV.
Celebrate the Human Rainbow
Different identities, bodies, expressions, and stories make life more vivid. Variety is not a threat; it is the masterpiece.
6

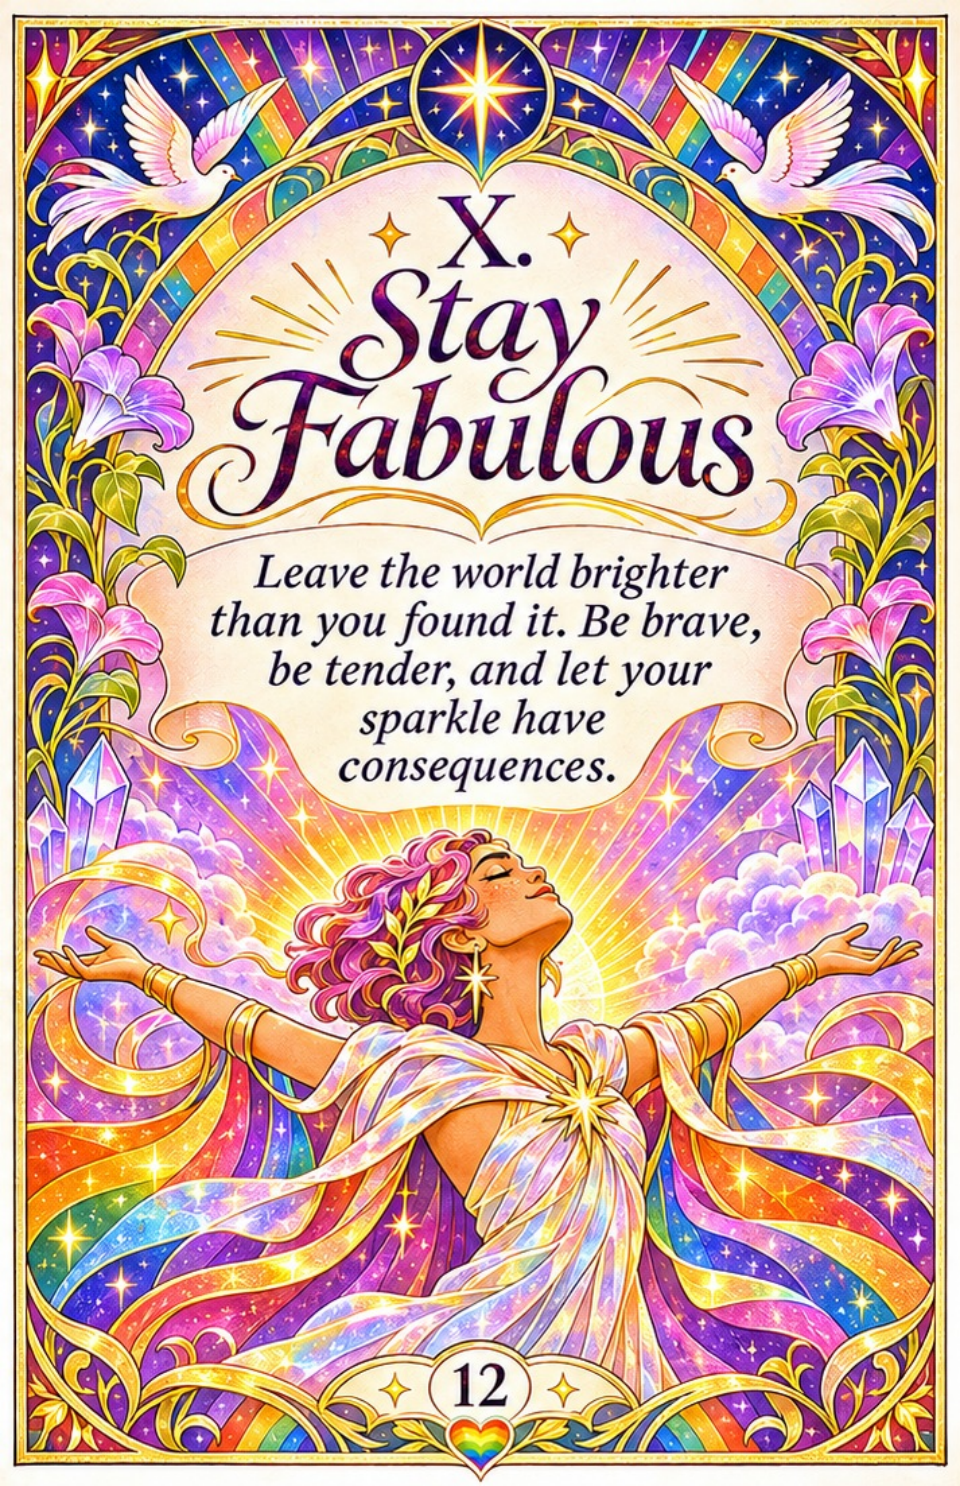

V. Respect Pronouns
A small act of language can be a profound act of care. Call people what helps them feel real.
she/her
he/him
they/them
all pronouns
7

VI. Spread Joy, Not Shame
If something brings harmless delight, let it shine. Joy is one of the holiest forms of resistance.
8

VII.
Protect Difference
Freedom matters most when it shelters the vulnerable. Make room for everyone to exist in peace.
Pocket edition
9

VIII.
Build Chosen Family
Love gathers in circles, kitchens, dance floors, and doorways. Community is a place we make for one another.
10

IX.
Question Cruel Rules
Not every tradition deserves obedience. If a rule crushes the spirit, imagine a kinder one.
11

X.
Stay Fabulous
Leave the world brighter than you found it. Be brave, be tender, and let your sparkle have consequences.
12

Congratulations. You're in the agenda.

If this booklet helped you breathe deeper, laugh louder, or feel more possible, pass it on. The agenda is simple: be kind, be true, let others bloom.

Required supplies: empathy, courage, glitter, consent, snacks.

Possible Side Effects

Spontaneous self-expression

Heightened empathy

Chosen family

Occasional glitter

A more colorful world

There is no agenda beyond love.
